SKILLS

- **Frontend:** React.js, Next.js, TypeScript, JavaScript, HTML, CSS
- **Backend:** Node.js, Express.js, PrismaORM
- **Database:** MongoDB
- **Tools:** Github, Vercel/Netlify

PROJECTS

1. Academix - E Learning Platform

Link : https://academix-learning.netlify.app/

Built a responsive e-learning platform with Next.js, integrated MongoDB via Prisma for efficient data management, and implemented secure role-based authentication for Admins, Instructors, and Students."

2. ANS Website

Developed the official 'Ans It India' website with dynamic blog management, approved testimonials display, published solutions listing, and a complete job portal with application tracking. Built an admin dashboard for managing content, jobs, and user interactions efficiently.

3. OneOps

Link : https://oneops.ansitindia.com/

Developed a leave management system with real-time status and calendar sync, integrated a secure digital wallet for internal transactions, and built a marketing module using wweb.js for personalized Email & WhatsApp campaigns.
